

# Set Yourself Up For Success!

LCHS Essential Academic Additions for Mobile Devices

# Welcome to the 2017-18 Technology Year!

We believe that all students must be provided regular opportunities to use technology to develop their skills that encourage communication, collaboration, critical thinking, sound research skills, digital citizenship and the proper use of technology. We are preparing our students to be successful, lifelong learners and valuable and contributing members of a global society.

# Learning Target: I Will Prepare To Learn By:

## Downloading Google APPS:

Google Drive, Gmail, Google Docs, Google Slides, Google Sheets, Google Classroom, Chrome Browser

## Creating Bookmarks:

# Working on Your Home Computer

To access all your school Google Drive files and apps, please download the Chrome Browser on your home computer. If signed in to your Google account, all your school material will be with you no matter where you are!

Sign in using [firstname.lastname@lpsd.ca](#).

If sharing a computer at home, ensure you are safely signed in to your own personal school account and not that of your siblings or parents. Likewise, they should not be in your account, according to the Acceptable Use Policy.

# Your “Leaving” Year Prep.....

*\*Note: If leaving LCHS for graduation or other reasons, you should migrate your student material to a personal gmail account as your account will be disabled after you leave. Please use Google Takeout for this transfer process.*

# Have a GREAT Year!

Learning Target: I AM PREPARED TO LEARN!
