## Advanced Placement English Application Form

# What Is PRE-AP?

At Lloydminster Comprehensive High School, students may take Pre-Advanced Placement (AP) courses. An Advanced Placement course is equivalent to a first-year university course, and successful students may receive academic credit or advanced standing at participating universities in Canada, the United States and overseas. At LCHS, students in Grade 10 may take a more rigorous program that helps prepare them for entering other Pre-AP ELA courses and the AP English Literature and Composition course in Grade 12.

Points to consider:

- ☐ I have a strong work ethic and I am prepared to do the homework involved in taking more rigorous English courses.
- ☐ I would appreciate the opportunity to better prepare myself for the high standard of writing necessary at university.
- ☐ I am prepared to complete the required reading prior to the class.

If you decide to register for the Pre-AP English courses, you must enroll in ELA A10 core first semester and ELA B10 AP second semester. Refer to the LCHS Course Description Booklet for details.

For further information, contact Mrs. Martens or Mrs. Woytiuk at LCHS.
