

MONSANTO FUND OPPORTUNITY SCHOLARSHIP

By assisting young people from farm backgrounds in their pursuit of a college or university education in agriculture, we are investing in their future careers—and in the future of the agriculture industry in Canada.

The Monsanto Fund Opportunity Scholarship Program is available to Canadian high school students from family farms in their final year of high school who will be attending a Canadian post-secondary (degree or diploma program) in a first-year agricultural program.

Successful applicants will each be awarded a scholarship valued at \$1500, based on demonstrated academic standards and leadership in the community. Selection will be made by an independent panel.

An application form must be accompanied by references, a university or college acceptance letter, the final high school transcript, and an essay. Application deadline is May 30.

Applications may be mailed (with all attachments) to:

Monsanto Fund Opportunity Scholarship
Monsanto Canada Inc.
900 – One Research Rd.
Winnipeg, MB R3T 6E3

Or emailed to: monsanto.fund.scholarship@monsanto.com

(NOTE: Please include PDF of application form, Word document of essay and scanned files of letters and transcripts.)

Further information may be obtained from Student Services, by phoning Monsanto at 1-800-667-4944 or by visiting the following link:
