

DAVE JONES SCHOLARSHIP

Mr. Jones is a long -time resident of Lloydminster. He came to the area with his family as a young boy. As a result of The Depression and World War II he, like many others of the time, was not able to pursue a formal education and the career opportunities that such an education would provide. It is Mr. Jones' wish that today's young adults have the educational opportunities that he did not have. It is for this reason that he is donating a scholarship.
