**Building Futures
Scholarship Application Form 2011**

Thank you for your interest In the Building Futures Scholarship Program.

Each application form is reviewed by the:
Canadian Natural's Building Futures Advisory Committee.

Please ensure that you follow the instructions below carefully.
We will advise each student of our decision by letter.

HOW TO MAKE AN APPLICATION

- 1. Please read the Building Futures Scholarship Brochure (available at our web site) to make sure that you are eligible for scholarship consideration.**

Note the requirements related to:

- residence in or near our Canadian operations—you need to have been a fulltime resident of Western Canada, near one of our operations, for at least one year prior to this application
- technical or trades education/training related to the oil and natural gas industry
- evidence of a commitment to education, e.g. maintaining at least a C+ average (66% – 79%) in your courses
- Aboriginal applicants are encouraged to provide their Aboriginal affiliation Information

- 2. Make sure you submit your application before the appropriate deadline date (see below).** The Building Futures Scholarship Advisory Committee reviews applications three times per year, so it is important that you send us your application at the right time.

We must receive your application **BEFORE YOU BEGIN THE TERM FOR WHICH YOU ARE SEEKING FUNDING**. For example, if your term starts in January, we must receive your application before December 15. Another example, if your program is several years in length, you may apply for funding for any one term per calendar year throughout the duration of the program.

*****only one application per student per calendar year will be considered*****

Please note: If your program includes some time working in a co-op placement, and you are paid for this, Canadian Natural does not consider this time period eligible for scholarships.

Canadian Natural must receive your application on or before one of these dates:

- **April 15**
- **August 15**
- **December 15**

3. With this application form you must also attach:

- a letter including your career plan, with the following information:
 - the program you wish to attend, and the time frame for the program
 - the reason you have chosen this area of training or education
 - the skills or talents you have and how you meet the program requirements
 - your long-term goals for the future, including your commitment to successfully complete the program and maintain at least a C+ average
 - an overall estimate of the expenses to take the program—based on research you have done with the educational institution
- official transcripts and school seal - originals only, no copies or print outs from internet
- a letter of acceptance from the educational institution you plan to attend

We encourage you to submit **letters of reference** from an individual outside your family that describe your academic, career and personal qualities (maximum three letters). References can be a good way of telling our Scholarship Advisory Committee about your community, volunteer and leadership contributions.

4. MAIL the completed form with your letter and official transcripts to:
