Leroy Weaver Memorial Scholarship

Leroy Weaver lived and farmed with his family North of Lloydminster. He was the 4th generation of Weavers working on the farm, which has now grown to 7 generations living and farming there. Leroy was passionate about farming, and he loved to encourage young people who showed an interest in a career in Agriculture.

Criteria of the Leroy Weaver Memorial Scholarship:

The Leroy Weaver Memorial Scholarship is awarded annually to a Grade 12 graduate who will be enrolled in a degree or diploma course in Agriculture, or a related Agricultural field of study.

Selection criteria may include academic achievement, the financial need and suitability of applicant for a career in agriculture, and personal integrity/qualities. The selection committee is made up of a series of family and friends of Leroy Weaver that are all keenly aware of Leroy's dedication and love for farming, as well as they enjoyment he received from encouraging young people to pursue their dreams in Agriculture.

The following must be included:

- Two letters of reference that would support you for this scholarship. One may be from a family member and another must come from someone outside of your family that can attest to your interest and commitment to agriculture.
