$$= ba$$

# Terminology

- **Prerequisite** – a course that must be completed successfully prior to continuing on to the next level.  
ie. Science 10 is a prerequisite for Computer Science 20, Environmental Science 20, Physical Science 20 and Health Science 20.
  
- **Compulsory/Core Course** - Course you must take in order to graduate.
  - ◆ In grade 10 there are 5 compulsory courses:  
ELA 10, History or Native Studies 10, Math 10, Science 10 and Financial Literacy
  - ◆ Many students take Wellness 10 as a Physical Education course - you need one Phys. Ed. class to graduate
  
- You must receive 50% in order to pass a class. If you do not pass, you **MUST** take the course over.

# Terminology

**Elective Course** - These are courses you can take for personal interest or career preparation. Could be Practical & Applied Arts courses, Fine Arts courses, Computer courses, or core science/math courses.

**Comprehensive Finals** - Just what it says ... final exam that covers all of the material for the semester

- worth 15-20% of your final grade.

# Terminology

- Grade 10 Students must be registered in **10 subjects**, 5 each semester, excluding Drivers Ed.
- The only difference between grade 9 and grade 10 schedules is that you will stay in the same 5 classes in the first semester and then switch to a new 5 classes in semester 2. Every class has a different teacher and different group of students!
- **Dropping and changing elective classes is not an option!**

# Math Pathways

## Making informed decisions when choosing courses:

- Use course selection booklet and elective videos
- Have conversations with your teachers and parents
- Consider your areas of strengths and interests
- Start thinking about possible careers
- Grade 10 is a base year with many compulsory courses and 3 – 4 electives
- Look at prerequisites (example: you need to take PAA Industrial Arts 10 to get into Welding, Mech. Auto, and Machining in grade 11)
- Grade 10's should not require future timetable changes, so choose wisely!

# Electives

## Course Selection Sheet:

- Arts Education
- PAA
- Other Electives

## Tours

- You will get the chance to visit our elective classes and hear from the teachers next week in block 4

\*Note: Need two Art/PAA credits at any level to graduate (most get these in grade 10)
