INTRODUCTION OF GRADS

1. The ceremony will begin with a march of the graduates around the CULLIGAN WATER BUILDING.
2. You will return to the Prairie room to your alphabetized groupings. Teachers will assist you. Please be quiet as you proceed out of the Prairie room.
3. As you walk towards the center of the stage, Mrs. Block, Mrs. Spence, and Mr. Smith will read your name and announce any awards you have achieved. Mr. Marciniw will give you your portfolio and shake your hand. At this point, change your tassel from the right of your cap to the left side. This symbolic gesture recognizes your shift from student to graduate. Don't rush, people want to see you! Smile for the camera!
4. Step down from the stage, and proceed to your seat on the riser. Grads alternate from one side to the other. Walk all the way to the top of the risers and fill up the seats from left to right. Sit quietly until the graduating class is asked to stand and be congratulated. Do not throw your cap at this point; wait until the end of the entire ceremony.

Remember:

1. Be quiet in the hallway, at the back of the risers, and in your seats.
2. Walk slowly and smile. This is your moment in the limelight. Enjoy it.
3. As you are not allowed to leave the risers once the ceremony has started, be sure to use washroom facilities before entering the CULLIGAN WATER BUILDING.
4. You are in full view of the entire audience, please act accordingly and honour your fellow graduates as they cross the stage.
5. School rules apply -students under the influence of alcohol or drugs will be removed from the line-up and asked to leave.
6. Don't be late! All times are exact.

We are looking forward to celebrating our

Graduating class of 2025!
